APPLICANT'S COMMENTS ON REASONS FOR ALLOWANCE

These comments are responsive to the Notice of Allowance mailed on October 17, 2008, which sets forth the Examiner's statement of reasons for allowance.

Applicant gratefully acknowledges the indication of allowance of Claims (i.e. claims 1, 2, 6-16 and 18-25). Applicant respectfully urges that additional and/or alternative reasons for allowance may exist apart from the arguments or remarks made by the Examiner and/or the Applicant during the prosecution of the above captioned case and thus are not limited to those statements. These reasons may each be independently sufficient to establish the patentability of one or more of Claims (i.e. claims 1, 2, 6-16 and 18-25).

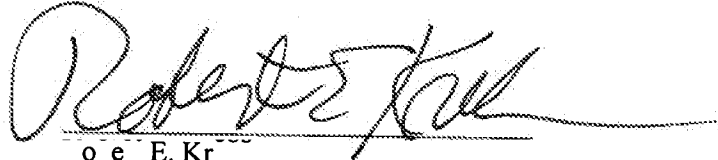

Applicant respectfully reserves the right to introduce, articulate, or otherwise comment on any such additional reasons for allowance as may be appropriate in any future proceedings concerning the one or more claimed embodiments.

Applicant has amended the Issue Fee Transmittal to reflect the correct filing date to June 9, 2005. Applicant has also amended the title of the invention on the Issue Fee Transmittal in order to correct what appears to be a typographical error.

Please charge any additional required fee or credit any overpayment to our deposit account number 50-3557.

Respectfully submitted,
